

## **Voorhies School Mission Statement**

The mission of our school is to provide a positive and effective integrated learning environment. This will give Voorhies students successful experiences to promote high achievement and will create respect and appreciation for self and others. Education is a shared responsibility. Parents, teachers, and students work in participate.

Our school is distinguished by:

- high expectations for all students.
- a school climate characterized by trust, caring, and respect.
- teaching and learning strategies that are academically relevant and frequently monitored.
- parent and community involvement.
- open and honest evaluation of the school program and action taken based on the results of community, certificated, and classified needs assessments.
- opportunities for meaningful staff development.
- continual involvement in self-study processes focusing on student needs.
